Lisa Nakajima executes a Harai goshi for ippon at Abbotsford.

Message from the President:

Welcome to another year of Judo. We believe that Judo is a special sport that offers unique opportunities for the youth and adults of Richmond. The sport encourages the development of fitness and strength but also the spirit of all those who participate.

Many thanks to our sensei who are the backbone of the club. They are a skilled and dedicated group who continue to amaze me with the time they put in each year.

We have 92 students enrolled this year. We hope they will work hard and learn and grow in the sport.

BC Open @Abbotsford Nov. 1st

<p>SJC Tournament Stars Program</p> <p>We would like to encourage our Judoka to enter tournaments. Tournaments help our students to test their skills and to see what they can do to improve. We are more interested in seeing our student try their best and not worrying about winning or losing. Any first year student who enters 3 tournaments will receive a tournament star at the end of season banquet. Advanced students can work for tournament stars by entering 5 tournaments. Judoka must also demonstrate good sportsmanship and effort to gain points.</p>	<p>Volunteers Needed</p> <p>As you know our Club is a volunteer organization. We need everyone's help and participation to do all the work that is needed. Many thanks to all our Executive members and volunteers. We could not run our program and attend tournaments without the support of our Volunteers. Not only do you help our club but you also support the Community at the annual Salmon Festival and other events.</p> <p>Pictures Wanted from Pac. International in Steveston</p> <p>If you have any pics of our judoka or sensei we can use on our website or newsletter send them to asakai@telus.net</p>
